

FINAL DAYS INTERNATIONAL

What's next in Bible Prophecy?

Ministry Update - Fourth Quarter 2025

Three Angels' Airline

In the summer of 2025, on my trip back from India, I was looking out the window and I was struck by the fact that an airplane was taking off from LaGuardia Airport every minute as it flew over my hotel. Interestingly, I counted, and sure enough, it continued at this rate.

As I thought of the "Mighty Cry" of Revelation 18 my soul was stirred. With anointed vision we should want to see emissaries flying out non-stop to all parts of the world as fast as possible. The air traffic controllers, the pilots, the ground crew, and the ticket agents of the commercial airlines are all involved in making flights happen continuously. Likewise, we as God's Three Angels' Airline company of believers are tasked with delivering more than just a service transporting people around this planet. We are charged to provide the life-saving message that will transport people to Heaven's eternal shores and then back to the earth made new. We should be thrilled to be part of this holy business. And at Final Days International, we are thrilled to be among the emissaries sharing the solemn, life-saving Three Angels' message with the world!

We want to recount a few of the flights that have transpired this year and a few that are about to transpire. God is not our co-pilot, He is our pilot, and we have been flying in His supersonic jet around this world at His command. So, sit back, fasten your seatbelts, and please praise God as you hear the reports from the team about the experiences we have had on this tremendous journey.

Meghalaya, India — The Tables Have Turned

One destination in the summer of 2025 was Shillong, Meghalaya, India. Rahim, who was converted through Final Days International, was instrumental in inviting many participants to an FDI "Prophecy Revealed" seminar. Surprisingly, one Baptist Sunday pastor he invited, Pastor Abdul Malik, had actually taught him the Gospel when he was coming out of Islam. Now, the tables were turned as Rahim invited this Sunday pastor to the "Prophecy Revealed" seminar, where Pastor Abdul learned of the portentous events soon to take place. His former Baptist teacher was blown away by the Holy Spirit

filled presentations and the arresting teachings of truth he had never encountered before. He was convicted as his heart moved within him. He continues studies with Rahim and professes that this is the truth.

Rahim also maintains studies with multiple others who came to this seminar. One of these individuals is Pastor Raj Babu (left center), pictured here with brother Rahim (right center) and other attendees. I also have weekly studies with Pastor Raj Babu. He has accepted all of the newly found Bible truths and wants to be baptized into the

Seventh-day Adventist Church. He is so excited about all of these wonderful things he has learned that he is telling everybody he can about them. He is fluent in many languages and has translated the video "Final Days" into the Manipuri language. He and Rahim have been actively scouting out venues to host a "Prophecy Revealed" seminar in June, 2026, in the Indian state of Manipur. Rahim and Pastor Raj Babu will be inviting Sunday pastors they personally know, besides others.

Furthermore, Rahim and Pastor Raj Babu's riveting testimonies, along with numerous other fascinating testimonies are going to be broadcast with dynamic video to multitudes of people. We can't wait for you to experience these remarkable and extraordinary happenings. We are wrapping up the shooting and editing of 13 episodes of "Final Days International," a new weekly program that should be airing on 3ABN sometime around spring of 2026.

Nairobi, Kenya — From Mechanic to Missionary

Our next stop is in Nairobi, Kenya. Thanks to a generous donor a motorcycle was provided for the work in Kenya to help with visitations. Interestingly, when you buy a motorcycle in Nairobi, you need to take it to a mechanic for him to tighten all of the parts and to service the motorcycle before it is roadworthy. Pastor Egide, an FDI Bible worker in Kenya, just happened to be a motorcycle mechanic prior to his conversion in early 2025. He made quick work of it all. Beyond that, during and after his conversion, Pastor Egide sped through learning the present truth in a matter of weeks. With his knowledge of the Bible, and zeal for sharing the message with others, it screamed out to us at FDI to put him on the team. Our God-given vision of calling Sunday pastors out of Babylon that will then call other Sunday pastors out of Babylon is working.

Pastor Egide was one of the many converts from the last seminar held in Nairobi. He and Stanley and Aaron are among our dedicated Bible workers with FDI in Kenya. They have been very active with the follow-up from the last seminar and have ongoing Bible studies with dozens of Sunday pastors. Moreover, we are having a smaller "Prophecy Revealed" seminar being held at the time of the writing of this letter, December, 2025. We are not cooling our jets just yet. We have 21 Sunday pastors registered to encounter the wonderful truths so many others have been led of God to experience. We have seasoned local and international evangelists that will open up the incredible truths of the Bible to these sincere, humble, Sunday pastors that our team has hand-picked to attend the "Prophecy Revealed" meeting.

Pastor Egide

Having witnessed the marvelous working of God so many times before, we are looking forward to the same results. We are expecting God to pour out His Holy Spirit upon these individuals with power. We have seen men's hearts changed in a matter of hours, consciences enlightened with the truth of God's word, men's mouths giving testimony after testimony of how the Holy Spirit has impressed them, how they were led to this meeting and found the truths they had never heard before. We have more tremendous stories coming than we could share before the printing of this letter, but we will give the details next time due to all we want to share in this letter.

Again, and again, and again, like the planes taking off from LaGuardia, we have seen the phenomenal providence of our God at work. People sometimes use the word miracle readily. You may have noticed in these newsletters we don't use that word often. Why? Because this is how God works day to day. We should expect God to do these things. And He wants us to expect great things from Him. I am reminded of the quote: "The Lord is disappointed when His people place a low estimate upon themselves. ... He is well pleased when they make the very highest demands upon Him, that they may

glorify His name. They may expect larger things if they have faith in His promises." *The Desire of Ages*, 668. This is better than a first-class seat on a 747 airplane!

This can't be taken for granted

Joseph Banda is 23 years old right now. When he was around 10 years old, an aunt married a Seventh-day Adventist and told him about end time events and it intrigued him. Then, 5 years later in high school, a friend of his mentioned the same thing. So, about 6 years ago, Joseph started learning the precious truths known to Seventh-day Adventists. The Holy Spirit subsequently moved upon him to proclaim the gospel and end-time messages. He was impressed to even go door to door to share the truth. He then went to university for 2 years and understood that his heart was not into becoming an engineer or a teacher. He wanted to lead people to God. So, while in university, he diligently sought the Lord for guidance.

Subsequently, he was led to a ministry called Philadelphia that discipled young Adventist men to become Bible workers over a 15-month period. He was hired by Gospel Outreach to be a Bible worker. Interestingly, right when he was hired, Final Days International was needing Bible workers and thanks to the gracious offer of the Malawi Gospel Outreach coordinator, Dr. Araujo, Joseph and four other men were allowed to start their work under the supervision of Final Days International as we did follow-up among Sunday pastors. He did much work out in the field and enjoyed his work, but after more than a year, the needs of Gospel Outreach changed as well as the logistical needs of Final Days International. Nevertheless, Dr. Araujo was gracious again and released Joseph to become a full-time worker with Final Days International. Praise God for teamwork!

Joseph and I were talking together, and we both agreed that what is happening with Final Days International and Sunday pastors in Malawi and other parts of the world is a tremendous, awe-inspiring occurrence. Joseph said "this can't be taken for granted." He is humbled and thankful that God has led him to be part of a ministry that calls Sunday pastors and members of their churches out of Babylon, teaching them present truth and warning people to stand as Shadrach, Meshach, and Abednego before the soon-coming final test that will break upon the world with overwhelming surprise. Joseph said "I am so very grateful to be part of Final Days International. It is such a special privilege. I have gone through trials and suffered hardships, but now I'm seeing the fruits of my hard work and I understand that our God has a thousand ways to provide for us of which we know nothing. I am reminded of the quote that says 'we have nothing to fear for the future except that we shall forget the way the Lord has led us, and His teaching in our past history.'" *Last Day Events*, 72.1

Blantyre & Nchalo, Malawi — A Chief's Conviction

Joseph went on to say, "I've never had such a wonderful experience since I started working to reach souls for God. My first seminar with over 200 Sunday pastors was in Blantyre, Malawi, a couple years ago. This was something new and unknown to me. I've never heard of another ministry doing such a thing, reaching out to Sunday pastors. Even one of the Sunday pastors that came to our meetings said 'I have been waiting 10, 20, 30 years to hear these truths, I have never seen or heard anything like this in my life.' The Final Days International "Prophecy Revealed" seminar in Nchalo, Malawi, October 15, 2025, with 22 Sunday pastors was another eye-opening experience for me. As I shared the prophetic messages, I witnessed surprise and conviction come over the pastors. They were so very deeply moved as they reverently contemplated the messages."

Out of the 22 Sunday pastors that came to the seminar, all 22 of them accepted everything taught and asked if FDI would bring these truths to their churches. There are 660 church members that worship with these pastors.

"Prophecy Revealed" Graduates, October 17, 2025

Over 100 people, including 17 of the 22 Sunday pastors, along with members of their churches have expressed their desire to be baptized. The leadership team at Final Days International met with the South West Malawi Conference of Seventh-day Adventists and preparations are being made for bringing in these invaluable souls.

There are hundreds more that are under these former Sunday pastors and they are being educated about the truth of the Bible. Immediately after the seminar, Joseph, Pastor Charles, and Fatsani began follow-ups. The atmosphere continues to be so very encouraging. The pastors are eager to learn more and discuss the importance of the messages with their own church members. It is a powerful moment as we see them wrestling with the truths of scripture. These salient messages are new to them, and as they compare them with the messages that they used to preach and hear in their Sunday churches, they understand this is the pure truth of God. We praise God for what He has done, what He is doing, and what He will do! This is wonderful and almost beyond comprehension. And there are so many more doors opening up.

Pastor Gerius, one of those in attendance at the seminar in Nchalo, Malawi, shared the truth with Chief Masache. Chief Masache is the senior chief over 300 other chiefs. These chiefs are like mayors over districts, with thousands of people under them. Chief Masache was already devoted to godly things, but he had misunderstandings in his heart and he wanted answers. He had heard of three different Sabbaths: Friday, Saturday, and Sunday. He didn't know which one was the true Sabbath of the Lord. His confusion persisted until he heard Final Days International Bible worker, Pastor Charles's, insights on true Sabbath worship. Pastor Charles and Pastor Gerius' united witness brought full clarity to his mind. As he heard the voice of the Holy Spirit speaking, his heart burned within him, and he was thoroughly convicted. Everything fit together as he saw the hand of God moving through all of this. He is overjoyed and he wants everyone within his sphere of influence to learn what he has grasped. He wants an FDI "Prophecy Revealed" seminar put on for the thousands of people under his care. The team is without adequate words to fully describe these astounding events. We cannot help but see God's hand at work.

Pray to never hear "you have missed your flight!"

As we close, let us consider the almost innumerable passengers on never-ending flights around this world. We can imagine or even remember the hustle and bustle of tired travelers making their way through times of connecting-flight chaos, and of last-minute gate changes. We know how one can be lost in the vastness of the airport's ever-shifting concourses, possibly not even knowing the languages or not being able to understand which way to go. Moreover, the challenges of navigating one's way through the checkpoints, dealing with ever pressing time constraints, and the horribleness of hearing the words "you missed your flight," realizing that one is stranded, can be totally overwhelming.

So, the comparison applies with those weary souls traveling the maze of life's challenges and setbacks. We, as God's Three Angels' Airline company of believers are here to show the way, to help them navigate the twists and turns, to take away their confusion found in the labyrinth of life's unanswered questions, to assist them in every way possible so that they make life's eternal flight on time, to help them never hear the words, "you have missed your flight!"

At the end of every Journey, the flight personnel always say "Thank you for flying with us." At FDI, we likewise want to thank each and every one of you that are lifting up this ministry with your prayers and support. We could not be doing this without you, and we actually feel that you are truly part of Final Days International.

Thank you for being a member of the team!

Reaching the Unreached

Join with us, in the mission to hasten the return of Jesus, while the doors are still open! Through social media we can cover the world with the Three Angel's Message as it has never been done before.

"Meet them where they are!" *Desire of Ages* p. 152

A Facebook 'boost' for \$100 will send 100,000 people the Final Days video in non-western countries. As many as 30% of people who begin watching the video watch it all the way through!

Think about that. From the 100,000 people who receive the video, there would be up to 30,000 people who hear the Three Angel's Message from beginning to end.

This method of evangelism is tremendously effective!

At Final Days International, we are spreading the Three Angel's Messages like the leaves of Autumn through invested believers like you. If you would like to purchase "Final Days" sharing materials, the business size witnessing cards are \$0.07 each and the DVD's are only \$1 per DVD.
