

FINAL DAYS INTERNATIONAL

What's next in Bible Prophecy?

Ministry Update - Third Quarter 2026

3 Billion Digital Doors

At Final Days International, we are giving the "trumpet a certain sound" as we blanket the world with the last warning of mercy. It is our goal to send the video *Final Days* to over 3 billion people on Facebook. This unprecedented video succinctly describes the Antichrist, the Mark of the Beast, the United States in prophecy, and the Seventh-day Sabbath. It highlights the soon return of Jesus and invites viewers to surrender their lives to Him. By God's grace, over 150 million people have been sent the video *Final Days* on Facebook as of Summer 2026.

Through sharing and the organic reach of social media, the resulting exposures have multiplied to approximately one billion views! Tens of millions of people around this planet have now learned for the first time the vital truths found in the Three Angels' Messages of Revelation 14.

"Prophecy Revealed" Seminar, Malawi, Africa

A Divine Mandate for the Last Days

Our mission statement is encapsulated in the following quote: "In a special sense Seventh-day Adventists have been set in the world as watchmen and light bearers. To them has been entrusted the last warning for a perishing world. On them is shining wonderful light from

the word of God. They have been given a work of the most solemn import—the proclamation of the first, second, and third angels' messages. There is no other work of so great importance. They are to allow nothing else to absorb their attention." — 9T 19.1

Born in Lockdown, Built for the Digital Age

In the year 2020, as the COVID crisis gripped the nations, Final Days International was born. The ominous occurrences showed us how quickly the world can change. As Bible-believing Christians, we recognized many fulfillments of biblical prophecy unfolding before our eyes. Just as someone who knows of an impending danger would correctly warn fellow travelers, we felt compelled to give the warning in a clear, unmistakable way.

To engage as many people as possible, it was obvious that we should use the internet. Another inspired quote states: "In order to reach all classes, we must meet them where they are. They will seldom seek us of their own accord." — *The Desire of Ages*, p. 152. And where are people? They are on their phones on social media. The largest platform for social media is Facebook. Today, we are quickly knocking on millions of Facebook doors—and people are answering.

Providence in the Edit Room

We needed a video that encapsulated the Three Angels' Messages into a single presentation. FDI was providentially led to team up with Dustin Pestlin, the President of Hope Through Prophecy and an evangelist with Amazing Facts. He had produced videos on the Antichrist and the Mark of the Beast, and he was about to release *The USA in Prophecy*. We contacted him and shared our vision. Believing it was an excellent idea, he edited these three videos into one full-length movie: *Final Days*. Since that time, he has collaborated with FDI in many ways and even serves as a co-host on our weekly 3ABN series, *Final Days International: Mission Reports*.

I asked Dustin Pestlin to share his thoughts about FDI, and he said: "It has stirred my heart and inspired my soul to see the growth of Final Days International. What began with a simple phone call several years ago has become a video spreading like wildfire across the globe, delivering the Three Angels' Messages in a clear, direct, Christ-centered way. I am honored to play a part in this global ministry, and I am thrilled to see countless souls being brought to Jesus through this humble means in the final days of earth's history."

beginning to the end. I didn't respond to anyone calling. I found here the solemn truth of the Bible. I didn't get this kind of teaching in any Bible School, so this is really awesome, and I have not enough words to explain how I felt." He is now a worker for FDI and has shared this truth with thousands! Pictured: Rahim with his former Sunday pastor, who led him into Christianity. Rahim has now brought his mentor into the Seventh-day Adventist Church.

A \$10 Miracle & 10,000 People

Sending the video *Final Days* out on Facebook works wonderfully. FDI sent one of the first test "boosts" to India for \$10. The video went to 10,000 people. Rahim, a former Sunday pastor, received it on his Facebook feed. He watched the video and called FDI. The first words out of his mouth were "I want to come out of Babylon!" Later he told me "When I first saw the video, I could not stop watching. From that moment on, I brought my food, I started watching from the

When Sunday Pastors Listen

As we sent the video to millions of people on Facebook, it created an avalanche of inquiries from individuals around the world wanting to study the Bible with us. Remarkably, many of those requesting Bible studies were Sunday pastors. As we studied with one Sunday pastor from India in early 2023, he invited us to come to India to hold a prophecy seminar for hundreds of other Sunday pastors. By God's incredible guidance, we held our first Prophecy Revealed seminar with 200 Sunday pastors. Teams of workers from Amazing Facts, AWR, and other ministries—along with some of the best evangelists in India—participated in this unique gathering. It astonished all of us to see what was happening before our very eyes. These Sunday pastors sat spellbound for three days as the prophecies of Daniel and Revelation were unpacked.

Sunday pastors intently watch the video *Final Days*

The phenomenon of observing thousands of Sunday pastors attend these seminars and listen intently to these present-truth messages is nothing less than mind-blowing! They are not only listening but are actively taking an immense number of notes. We know that they are amazed and pleased with what they are hearing and learning because they tell us so. During the question-and-answer sessions, we have also been astounded by how receptive the attendees are to these truths and by their earnest desire to understand them more fully.

We held 20 large-scale Prophecy Revealed seminars, besides some smaller ones, between April 2023 and August 2026, and more seminars are currently starting up and being planned. We bring around 80 to 300 Sunday pastors to a facility where they sleep, eat, and attend the presentations. They show up on a Monday evening

for orientation. On Tuesday morning, the schedule is as follows: Daniel 2, Daniel 7, Revelation 13—Sea Beast, Revelation 13—Land Beast, and then a session for questions and answers. They have ample time for breaks and meals. The next day, we present the Law of God and the Sabbath, and after a good break, we show them the video *Final Days*.

The video ties everything they have learned together. It historically and biblically reveals who the Antichrist is, what the Mark of the Beast is, and the role of the United States in Bible prophecy. It shows the validity of the Sabbath and how it relates to the closing scenes of Earth's history. As we observe these participants, it's as if a lightbulb comes on; they are encountering truths they have never heard before. The presence of the Holy Spirit is palpable, and conviction is present. We conclude the seminar with: Death, Jesus' Second Coming, the Millennium, Hell, and Heaven—followed, of course, by more question-and-answer sessions.

Pause Right Here

In America or Western countries, you simply cannot get thousands of Sunday pastors to attend 3-day prophecy seminars. It's just not going to happen. But in non-Western countries, they will attend, and they will continue to listen even after they hear the biblical truths concerning the Antichrist, the Mark of the Beast, the Sabbath, and other salient life-changing biblical truths. This is so wonderful that we shouldn't pass by it too quickly. Think of it: hundreds and thousands of church leaders from different denominations are willing to continue listening to these truths, are eager to understand more, want all the literature we can give them, and want these messages brought directly to their congregations. Remarkably, 70% to 100% of the individuals who fill out a decision card state that they want these truths taught in their churches!

We have had scores of documented conversions. In early 2026, months after we held a Prophecy Revealed seminar for 22 Sunday pastors in Southern Malawi, 76 people were baptized into the SDA Church. We do intensive groundwork and follow-up; we take our time. Ongoing studies are continuing with many, and dozens of additional Sunday pastors in the area are requesting to attend the next seminar. Thousands are being influenced, and all of this is just in Southern Malawi.

Worldwide, there are hundreds of Sunday pastors currently studying with our teams of workers. It makes me want to jump up and down and say, "Hallelujah! Praise the Lord!" Just as thrilling as this is the fact that tens of thousands of Sunday pastors are willing to come to these seminars. In my mind, this once seemed unimaginable. But by God's grace, this is actively happening! What we have seen so far is just the tip of the iceberg. God "is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us." — *Ephesians 3:20*

These Sunday pastors are happy to have been called out of Babylon. Whether it is Pastor Rahim from India, Pastor Egide from Kenya, or Pastor Charles from Malawi, these are real people whose lives have been transformed. They have joined the Seventh-day Adventist Church and have brought members of their congregations with them. You can read their stories or even watch video testimonies by visiting our website and looking at past newsletters or video uploads. You can also watch these inspiring testimonies every Sunday at 2:30 p.m. CST on 3ABN. The program's title is *Final Days International: Mission Reports*.

Pastor Manoa, spiritually full!

Our New Testimonial Series on 3ABN

Delicious to the Spiritual Stomach

Pastor Manoa attended a Prophecy Revealed seminar several months ago in Nairobi Kenya. Our team has continued weekly Bible studies with this dear brother. He said: "I am 50 years old and was baptized when I was 13. I have been a pastor since 1997. For years, I wanted to follow God, I wanted to know the truth, and I wanted to live according to the Bible. I never knew these beautiful truths before. The Bible came alive before my very eyes as I understood how God communicates to us through signs, symbols, and prophecies. I love the words on the banner: 'If it's in the Bible, we want it! If it's not in the Bible, we don't want it!' I was so impressed that Final Days International

"Prophecy Revealed" Seminar, Malawi, Africa

teaches according to the Bible and lets the Bible interpret itself. I had been praying that I would be led to learn more truth. Jesus said, 'You will know the truth, and the truth will set you free.' I have not been the same since the seminar. Now I am blessed and very happy, and I know without a doubt that the Holy Spirit led me to this seminar!

I also learned something that was hidden from me, and basically from the world. The Sabbath is the day that God ordained, sanctified, and blessed. From that day forward I have been keeping the Sabbath and I have been so blessed. The Sabbath is a precious gift from God. I understand all the more clearly that God's enemies are against the truth

and against the Sabbath that was given to bless humanity. The Antichrist holds up Sunday, and 90% or more of Christians aren't even keeping the day chosen by God. Though there may be challenges, I must keep the Sabbath. I now see and have experienced the benefits of following God's commandments.

As I was at the seminar, I was being fed large amounts. It was as if I was eating a good meal and I kept eating even though my stomach was full. I wanted more and more and kept eating! I took many notes, paid close attention, and took pictures with my phone. All of the graphics, the posters, and the PowerPoint sermons were the truth, and I wanted more! These teachings were so delicious and good for my spiritual stomach. I am now ready to run and share this gospel truth! My desire is that before Christ comes, this message will be preached to everyone everywhere, and I must be one of those preaching it. I am excited that I am about to be baptized and become a Seventh-day Adventist."
